Aerial tramway see Cableways

Aeronautics

Airports
- Alaskan airbase designed n1
- Australia to develop airports n334
- Baltimore Airport grading contract let n487
- Baltimore airport runways (unit prices) 1035
- Boston airport costs up n243
- Buenos Aires airport being constructed n776
- CAA announces federal-aid airport program for 1947 ..... n83
- CAA's construction fund slashed n797, n876
- Canada—De Havilland airport, Toronto, to be enlarged n493
- Canada—Montreal aviation terminal planned by railroad n249
- Chattanooga, Tenn. plans improvements n910
- Chicago airlines terminal n855
- China—Lunghwa Airport to be reconstructed n79
- China to resurface airports n707
- Danbury, Conn. to improve airport n479
- Germany—Tempelhof airport. W. G. Bowman 907
- Great Britain—London airport runway construction *56
- Hangars
  - Atlanta hangar construction n*797
  - Chicago, twin hangars n704
  - Los Angeles hangar n*979
  - Navy begins work on special hangar to test electronic devices n80
  - Rapid City, S. D. plans n852
  - Traveling scaffold used in repairing airship hangars *204
- Houston applies for grant n413
- Indianapolis airport built n356
- Indianapolis to construct new building n910
- Manila, Philippines, to plan terminal. n334
- Muncie, Ind. plans improvements n910
- National investment—civilian plans (tables) *295
- Newark airport sought by Port of New York Authority n926
- New Castle County, Del. airport plan. n992
- New York City airports leased by Port Authority n490, n717, n852
- New York City group offers new airport plan n93
- N. Y. C. LaGuardia Field rehabilitation n*11
- New York City plans to ease air-traffic jam n*10
- Newfoundland—Harmon Field to become permanent Army base n542
- Omaha, Neb. considers modernization of airport n992
- Oregon to set up own airport building program n88
- Panama airport completed by Public Roads Administration *957
- Philadelphia's annexation right to be tested n248
- Philadelphia buys airport land n868
- Philadelphia—putting soils knowledge to work on airfield runways. E. E. Seelye *733
- Pittsburgh airport plans n562
- President Truman requests airport funds n415
- Rochester, N. Y. plans new terminal n910
- Runways—loads on runways e801
- Seek uniform standards for runways. n797
- Saint Paul not to expand airport n339
- San Francisco airport fill on soft bottom controlled to avoid mud waves. *104
- San Francisco Municipal airfield to have new building n*851
- St. Louis charges government of U. S. "usurps" city airport n93
- Seattle airport bonds stopped n242
- Taxiway at Logan Airport, Boston (unit prices) 901
- Terminal Island, Calif.—drydock for a giant flying boat *730
- Transportation projects in construction *320
- Twin Cities airports n169
- Uruguay constructing airport in Montevideo n*776
- Windsor Locks, Conn.—Bradley Field to be made an international airport. n542
- Helicopters to make deliveries to top of Mt. Cucamonga, Calif n988

Africa—French equatorial Africa to have plywood mill n79
- Tanganyika port and railway to be developed n776

Air Conditioning
- New trends develop in Southern textile mill design *806
- Rensselaer, N. Y. medicine plant is windowless, dustproof n*555
- Washington, D. C. Army Map Service gets new air-conditioned home *367

Albania—First railroad to be constructed. n975

Aluminum—Enginehouse constructed with aluminum roof trusses *820

American Assn. of State Highway Officials
- Los Angeles meeting ..... n 6
- Technical discussions bring out useful ideas 437

American Chemical Society—Federal coordinating agency urged for anti-pollution programs 819
- Industrial waste meeting 1009

American Concrete Institute — Cincinnati meeting n355
- Technical sessions 505

American Railway Engineering Assn.—Chicago meeting n471

American Road Builders Association Chicago meeting 331

American Shore & Beach Preservation Assn. meeting n912

American Society for Engineering Education—Meeting discusses huge engineering college enrollment n989

American Society for Testing Materials—Annual meeting n991
- Headquarters in Philadelphia n*543

American Society of Civil Engineers—New York meeting n*81
- Phoenix meeting n719
- Plan to raise dues e497
- Technical sessions n95

American Society of Photogrammetry Washington meeting n176

American Water Works Assn.—All nominees become officers-elect n466

American Wood Preservers Assn. meeting. n798

America's needs and resources—Twentieth Century Fund report *827

Amphibious truck n*853

Aqueducts
- Kutter formula favored in aqueduct tests *60
- Los Angeles water supply under scrutiny because of boron in water 518
- Salt Lake Aqueduct n*345
- San Diego Aqueduct
  - Colorado River water expected this year n870
  - Concrete pipes speeded with vibrators *459
  - Pneumatic concrete placers speed lining of small tunnels *502
  - To be Navy-built *362

Architects—Practicing under a firm name. n723

Argentina
- Buenos Aires airport being constructed. n776
- Engineers to work on five-year plan n906
- Grain elevator n*409
- Railway cars shipped from U. S. n975

Associated Equipment Distributors Chicago meeting n257

Associated General Contractors—Boards see price rises near peak n865
- Chicago meeting n183

Association of Highway Officials of North Atlantic States—Atlantic City meeting. n351

Atomic Power
- Atom power for electric production seen near n23
- Jamestown, N. Y. considers atomic power n339
- Monsanto Chemical builds underground plant for atomic research n916

Australia
- Bridge planned and railway bridge completed n*408
- Civil airport development n334
- Earth dam for irrigation planned n164
- Electric generating capacity to be expanded n238
- Highway maintenance bill approved n776
- Hobart, Tasmania, port to be developed n409, n706
- Irrigation dams planned in New South Wales n850
- Port Darwin planned for major reconstruction n906
- Victoria pushing dams and irrigation projects n706
- Water pipeline on the desert floor (map) *889

Austria gambles on the future. W.G. Bowman *975

Awards
- Frank P. Brown medal awarded Karl Billner n704
- Goodell prize winner announced by AWWA n726
- Moisseiff award set up for papers on design n870

* Illustrated; a, abstracts; e, editorials; l, letter; n, news

Eng. Lib
Direct

B

Barges—British Columbia—difficult barge-holding problem in blasting a submerged rock *48
Beaches—San Diego to have a playground in Mission Bay n*554

Beams
Beam deflections. C. H. Gronquist .... l 391
Deflections under combined loads *43
New data on Douglas fir beams in Dept. of Commerce report 207
Suggestions for safe lateral bracing design. C. M. Throop (Building Designers' Library) *218
Suspension beam with hinge provides unobstructed floor for store sales room . *1013
Timber split-ring joints tested, yield rational design formula. R. H. Gloss *895
Beams—see also Trusses
Blasting — British Columbia — difficult barge-holding problem in blasting a submerged rock *48
Farmer sues highway engineers for egg hatching damages n722
Bolivia—Credit approved for highways and petroleum development n409
Bonds — Louisville, Ky. revenue-bond bridge pays off. C. W. Hanson *114
Bonds—see also Public Works

Book Review
Mr. Blandings builds his dream house. Eric Hodgins 530
Clay pipe engineering manual 224
Contributions to soil mechanics; 1925-1940 530
Design and methods of construction of welded steel merchant vessels 961
Future of housing. Charles Abrams 961
Grand Central. David Marshall 224
Laboratory control of water purification. C. R. Cox 530
Manual for sewage plant operators. L. C. Rillings 762
Mathematical methods of statistics. Harald Cramer 223
National electrical code 394
Personality and English in technical personnel. Philip McDonald 394
Portland cement technology. J. C. Wett. 962
Principles and practice of surveying. Breed & Hosmer 961
Roadway and track. W. F. Rench 394
Rock tunneling with steel supports. Proctor & White 223
Rudimentary mathematics for economists and statisticians. Crum & Schumpeter 223
Saudi Arabia. K. S. Twitchell 762
Statistical quality control. E. L. Grant. 223
Structural precast reinforced concrete. Kurt Billig 223
Surveying theory and practice. J. C. Tracy 961
Tests on timber structures from Golden Gate International Exposition 961
Unionization of professional engineers and chemists. H. R. Northrup 223
Boulder City presents unique situation in municipal administration *1021
Bracing—Suggestions for safe lateral bracing design. C. M. Throop (Building Designers' Library) *218
Brazil—Dams and hydro plants planned .. n707
Factory with concrete rigid frame n*475
Bridge accidents and failures
California and Maine bridges wrecked by trucks n*24
Washington highway bridge collapses from truck fire n*340

Bridge Construction
Better expansion joints in bridge floors. N. W. Morgan *151
Lower cost bridges and how to get them. F. D. Hartford *588
Memphis bridge piers sunk by open-well dredging *449
"Sand-island" method of bridge pier construction. R. F. Legget, l 462; R. L. Larson .... l 761
Steel forms speed construction of Pee Dee Bridge approach *525

Bridge Design
Battered piles in bridge abutments. C. H. Wood *1018
Costs increase for grade-elimination highway bridge as angle of intersection is decreased. W. F. Wiley l*959
Lower cost bridges and how to get them. F. D. Hartford *588
Multiple-span suspension bridges. Louis Balog .... l 960
Railings
South Carolina bridge *66
Standard bridge railing of steel tube .. *154
Spanish bridge built with concrete top chord and steel bottom chord *946
Bridge floors—Better expansion joints in bridge floors. N. W. Morgan *151

Bridge Renewals and Repairs
Canada to rebuild railway bridge in Toronto n*30
France—Lyon rebuilds its many wrecked bridges *34
France—Lyon's wrecked bridges. S. A. Payette .... l 826
Hungary to reconstruct bridges n4

Bridges
Australia
Hawkesbury River bridge completed . n*239
New South Wales railway structure .. n*408
Queensland bridge planned n408
Baltimore, Md.
Chesapeake Bay tunnel studied as bridge alternative n925
Baton Rouge, La.
Sinking open caissons through sand islands. E. S. Blaine *213
Boston
High-level bridge proposed across harbor n162
Mystic River bridge started n182
Buffalo
Two viaducts to be reconstructed n26
Bridges in construction *323
California bridges and substructures (unit prices) 329
Canada
Montreal—St. Eustache bridge construction to start n337
Quebec-Lewis bridge n410
Cherryvale, Kansas
Reinforced concrete bridge (unit prices) 469
Chicago
North State Street Bridge girders arrive by barge n*992
Connecticut River bridge (unit prices) .. 900
Council Bluffs, Iowa
End of tolls brings tax payments n911
Delaware-Chesapeake Canal bridge
Foundation nearly ready n472
Delaware River bridge funds provided .. n564
France
Lyon rebuilds its many wrecked bridges *34
Nogent-sur-Marne bridge is new n*165
Vienne highway bridge n*545
Great Britain
Severn River bridge proposed n*79
Harrisburg, Pa.
Two highway bridges recommended .. n710
Hartford
Tolls reduced on Charter Oak Bridge .. n28
India
Mond River bridge n*335
Indiana bridge (unit prices) 326
Indiana considers new toll bridges n17 n410, n904
Jenkintown, Pa. highway bridge n*713
Kansas City
Liberty Bend Bridge to be started n426
Louisville, Ky. bridge
First revenue-bond bridge pays off. C. W. Hanson *114
Malone, N. Y.
Cover over bridge while building n*169
Manchuria
Stripped by war and the Soviets, huge rebuilding job. M. T. Bennett *378
Memphis
Bridge piers finished n174, n904
Piers sunk by open-well dredging *449
"Sandhogs" not sandbags n244
Montezuma, Ind.
New bridge to replace old one n869
Newark, N. J.
Stickel Memorial bridge approach to be constructed n332
Ohio toll bridges report high profits n357
Pee Dee River, S. C.
Steel forms speed construction of approach *525
Pennsylvania
Abington Township bridge. O. L. King .... l 959
New type concrete bridge n*909
Point Pleasant, W. Va.
New railroad bridge opened n*868
St. Louis, Mo.
Golden Eagle bridge planned n410
St. Petersburg, Fla.
Tampa Bay bridge funds sought n925
San Francisco-Golden Gate bridge
10th anniversary n985
San Francisco-Oakland Bay
California reveals plan for bridge n345
Financing for new bridge n869
Low-level bridge and causeway favored n*237
Plans for second crossing e360
Ten years of the bridge e103
Sand-Island method of caisson sinking for bridge. R. F. Legget, l 462; R. L. Larson .... l 761
Savannah River toll bridge sought n84
Spain
Tordera truss bridge built with concrete top chord and steel bottom chord *946
Vicksburg, Miss.
Warren County votes to buy bridge ... n548
Wilmington, Del.
Delaware River bridge construction approved n477, n973
Youngstown, Ohio
Right of road bureau to appropriate railway depot to make way for new bridge n985
Building accidents and failures
Purdue University bleachers collapse n355

Building Construction
Baltimore, Md. steel-frame houses built on assembly line principles *950
Canadian universities to do much building n187
CPA ceiling on non-residence building lifted n161
Continental Can and N. Y. Life Insurance have agreement for financing industrial expansion n82
Cornell University dormitory of fire-resistant construction *371
Costs
Austin Co. index of industrial building costs 1913-1946 (chart) 603
Construction and building cost indexes 1913-1945 (table) 599
Cost comparisons aid selection of building materials and installations. George Parkman *592
Cost reaching peak for industrial plants. E. W. Bowden *591
Index of small house costs 1935-1946 (table) 647
Index for standard house in 47 cities 1939-1946 (table) 649
E.N.R. survey indicates home building slows as buyers resist continuing cost rise n489
Indiana state building appropriations studied n29
Institutional building proposed in two states n256
Meat packing plant constructed with cast-iron columns and flat-slab floors, without drop panels or column caps .. *216
Montana considers big building program n187
New York City—Elliott Houses have cavity walls and concrete slab bank floors *584
Philadelphia earmarks money for building n29
Precast floor slabs for UN housing, N.Y.C. L. F. Booth *455
Prefabrication prospects *301
Universities and colleges planning extensions n256, n856
Venezuela—shelter and sanitation facilities for a tropical oil camp. E. J. Cleary *814
Washington, D. C. Army Map Service gets new air-conditioned home *367

Building Design
Balloon frame—a tribute. C. S. Hill .. l *64
Concrete rigid frame for factory in Brazil n*475
Factory designed for residential areas, Rochester *511
How fire-safe is a fireproof building. J. J. Ahern *942
New trends develop in Southern textile mill design *805
New York City—Tishman building has unusual exterior n*710
Prefabricated buildings to resist —60 deg. at Arctic weather stations n973
Quonset factory buildings, York, Pa., expand plant capacity n*428
Rennsselaer, N. Y. medicine plant is windowless, dustproof n*555
Safe lateral bracing design. C. M. Throop (Building Designers' Library) . *218
Suspension beam with hinge provides unobstructed floor for store sales room *1013
Timber joints
Tests of eccentric split-ring joints yield rational design formula. R. H. Gloss *895
Underground factories? n347
Underground factory data sought by the Army n863
Underground plant built by Monsanto Chemical n916
Van Nuys, Calif. auto-assembly building has seismic and solar protection *53
Wind resistant
Pressure under cylindrical stack computed by trial and error. G. B. Rodger *738

Building Designers Library
Carbon-dioxide fire-protection systems. P. W. Eberhardt *108
How to select and install glass block. K. H. Cunningham *1006
Suggestions for safe lateral bracing design. C. M. Throop *218

Building Laws and Regulations
Atlanta pushes fire code n796
Building officials report on hotel fire safeguards n481
Canada publishes code for small municipalities n985
Chicago revises hotel fire code provisions n32
Connecticut publishes state building code n410

* Illustrated; a, abstracts; e, editorials; l, letter; n, news

Connecticut state building code voluntarily adopted by communities. Prentice White 507
First fire prevention conference n798
Georgia names Building Safety Council.n870
How fire-safe is a fireproof building. J. J. Ahern *942
Idaho considers code for building safety.n717
Iowa creates council for state building code n490
Massachusetts sets aside building code in special case n243
Natick, Mass. home rule wins.....n854
Plumbing code being prepared n709
San Francisco debates building code revision n992
Waco, Tex., rewriting zone law.....n548
Building Officials Foundation Adopts basic code n481

Buildings

Arctic regions
Weather stations being prefabricated to resist —60 deg. n973
Australia
Parking site on hillside n*5
Berkeley, Calif.
University of Calif. plans new buildings n916
Boston
John Hancock Insurance building excavation n*551
Brazil
Factory with concrete rigid frame..n475
Buffalo
Veterans hospital started n92
Veterans hospital bid n922
Canada
Toronto to build skyscraper bank...n549
Chicago
Planning development for a mile of land n*711
Clemson, S. C.
New trends in textile mill design....*805
Cornelia, Ga.
Lumite Div. mill design *808
Dallas, Tex.
Steam plant on roof of office building n*414
Dayton, Ohio
War memorial building considered...n855
Detroit
Veterans' hospital contract awarded..n783
Dubuque, Iowa
Tractor plant n*795
East St. Louis, Ill.
Enginehouse constructed with aluminum roof trusses *820
Forest Glen, Md.
Army plans medical center n987
Ft. Lauderdale, Fla.
Department store under construction.n*793
Fresno, Calif.
Veterans' hospital to be air-conditioned n20
Germany
Munich reconstruction. W. G. Bowman *923
Hapeville, Ga.
Ford Motor Co. plant—comment. J. M. Kite .....l 391
Hawaii
Five-year hotel construction plan....n787
Tripler Hospital advances n*911
Tripler hospital cost over estimate..n427
Hospitals for civilians provided in bill.n919
Indiana hospital plans n922
Indianapolis, Ind.
American Legion building bids.....n926
Ithaca, N. Y.
Cornell University dormitory of fire-resistant construction *371
Kansas City
School building bond vote n338
Lancaster, S. C.
Springs Cotton Mills bleachery mill design *809
Los Angeles
War Memorial Auditorium to be erected n*413
Macon, Ga.
Wall board mill n*705
Major projects in construction.....*315
Manchuria
Stripped by war and the Soviets, huge rebuilding job. M. T. Bennett.....*378
Miami, Fla.
University of Miami plans building work n88
Minneapolis, Minn.
School buildings to be planned.....n781
University of Minnesota to build athletic plant n856
Mt. Cucamonga, Calif.
Television station to be erected.....n988
Mt. Vernon, Ohio
Factory roof replaced without exposing interior n*18
New Jersey building delay caused by labor n241
New York City
Apartment features balconies n*860
Apartment project to cost $30 million.n870
Architects of Grand Central. W. J. Wilgus, Jr. .....l 528
Columbia University to have new stadium n*348
Elliott Houses have cavity walls and concrete slab band floors.....*584
Fort Clinton Memorial suggested....n*724
Time building approved n922
Tishman building has unusual exterior n*710
Truck terminal bids asked n84
UN apartments constructed with precast floor slabs. L. F. Booth *455
United Nations headquarters plans..n866
Westchester Co. Center to complete roof n11
Pennsylvania launches building program for mental hospitals n19
Philadelphia
City Hall statue of Penn causes controversy n911
Hospital plans n780
Phoenix, Ariz.
Hospital planned n82
Pittsburg, Calif.
Steel mill taking shape n*778
Pittsburgh, Pa.
University of Pittsburgh expands central heating n*248
Puerto Rico
San Juan constructs the Professional Building n974
Pullman, Wash.
Institute of Technology building, Washington State College n*716
Raleigh, N. C.
Building site acquisition sought by highway board n344
Rensselaer, N. Y.
Medicine plant is windowless, dust proof n*555
Richmond, Calif.
Grease plant and warehouse started for Standard Oil n*865
Rochester, N. Y.
Clothing factory designed for residential areas *511
San Francisco
Power substation n*775
Santa Monica, Calif.
Store provided with unobstructed floor due to suspension beam with hinge.*1013
Scottsville, Va.
U. S. Rubber rayon tire-cord plant design *806
Seattle
University of Washington building...n*178
Spokane, Wash.
Town to build own schools.....n855
Syracuse, N. Y.
G.E.'s research center—roof trusses tested *878
University of Tennessee asks millions for buildings n424
Van Nuys, Calif.
Auto-assembly building has seismic and solar protection *53
Veterans Hospitals
Federal-aid plan n253
Philadelphia and Syracuse receives contracts for VA hospitals n249
32 to be started by June n161
Ware Shoals, S. C.
Rayon finishing plant design.....*807
Washington, D. C.
Army map service gets a new home..*367
University of Washington announces expansion plan n89
Willow Island, W. Va.
Calco Chemical Works has steel frame, concrete exterior n*786
Winnebago, Ill.
Courthouse cannot be sold n479
York, Pa.
Quonset factory buildings expand plant capacity n*428
Buildings see also Housing
Buses
New York City approves union bus terminal n*242

C

Cables — New York City under-water cables n*855
Cableways—Mt. Hood, Ore. proposes aerial tramway n717
Peru plans aerial tramway n545

Caissons

Memphis bridge caissons sunk with the help of woven willow mattresses.....*451
Practical lessons in caisson sinking from the Baton Rouge bridge. E. S. Blaine.*213
Sand-island method of caisson sinking for bridges. R. F. Legget .....l 462
R. L. Larson .....l 761

Canada

Integrate all military engineering n717
1946 construction n2
Ontario hydro to start new power plant.n726
Steel and timber controls to be maintained n773
Veterans houses to be repaired n424
Canadian Construction Association meets..n167

Canals

Allegheny River, Pa. barge canal urged. n20
Central Valley Project—canals come next *422 e431
Coachella Canal extension contracts let.n188
Columbia Basin Canal cut out of rock by blasting n*709
Ditcher reduces canal maintenance costs.*46
Friant-Kern canal—special rig for back-filling *52
Linings—low-cost linings for irrigation canals. W. R. Young *19
Mexico—Irrigation canals almost completed n54
Mississippi River
Chain-of-Rocks bids n92
Chain of Rocks Canal—contractors meet before bidding n*72
Panama Canal
Harvard University studies the canal.n25
Improvement plans in the Zone.....n49
Puzzle in Panama. W. G. Bowman *740-75
Reports to be made in 1947 .....n17
Studies of the canal e72
Russia to start Kara-Kum Canal n70
Yakima project—Roza Div. canal lining of concrete block *52

Cement—Strike halts construction in New York City n84
Ceylon—Irrigation program n*70

Channels

Arkansas River cutoff dredging completed by Army engineers. A. B. Smith *50
British Columbia—difficult barge-holding problem in blasting a submerged rock. *4
Sacramento-Yolo Port District voted to clear the way for channel dredging .n78
Chile—Road and bridge construction voted n70
Chimneys — Pressure under cylindrical stack computed by trial and error. G. B. Podger *72

China

Airport runways to be resurfaced....n70
How an American sanitary engineer is "selling" water systems in China....*29
Lungwha Airport to be reconstructed...n7
Rail lines to be rebuilt.....n16
Surplus equipment returning from China 29
Tangku port to be improved n40
UNRRA develops reclamation program.n77
Yellow River dikes closed n335, n47

Cities—Record growth of cities.....110
City managers—Pennsylvania seeks legislative approval of city manager charters n2
Civilian Production Administration
Transfers controls to Office of the Housing Expediter n54
Coal and coal mining—Pennsylvania coal industries aid clean-steam program.... 95
Cofferdams — Memphis bridge cofferdams built on caissons 45
Colombia—Robert Moses asked to study modernizing plans for Bogata.....n97
Columns
Meat packing plant constructed with cast-iron columns and flat-slab floors, without drop panels of column caps..*21
Competitive bidding for engineering services—See Engineers

Concrete

Aggregates
Center Hill Dam aggregate production. J. P. Dealy *57
Air entrainment
Air entrained in concrete. C. A. Hogentogler, Jr. .....l 102
Discussed at ACI technical session...*56
Rolling method of determining entrained air n35
Correction in statement concerning the rolling method.....n47
Alkali reaction in concrete invested.... 4
Asbestos-felt blanket protects thin concrete dam from frost *80
Concrete block used for Yakima project canal lining *52
Dams
Joint leakage stopped at Marshall Ford. W. B. Bierce *89
Floors of mixed asphalt and concrete absorb more impact 38
Forms
Steel forms speed construction of Pee Dee Bridge approach.....*52
Gravimetric analysis of sand. L. J. Ehly *45
Minnesota passes bill specifying concrete mix n79
Precast concrete features at ACI technical sessions 50
Precast floor slabs for UN housing. L. F. Booth *45
Reinforcing
Deformed bars compared as to resistance to slip 52
Device locates bars in concrete *82
Slab band floors and cavity walls for New York City's Elliott project.....*58
Sprayed concrete on wire mesh for dome roof of Middletown, Pa. tank.....*46
Transporting concrete in dump-trucks. J. A. Nicholson *20
Vibrators improve concrete pipes for San Diego Aqueduct *45

Construction

Appropriation bill e728, n903, n97
Budget recommendation for construction n7
Congress-construction weathervane 30

* Illustrated; a, abstracts; e, editorials; l, letter; n, news

Costs
American Appraisal Company construction cost trend index 1914-1946 (table) 603
Boeckh index of construction costs 1926-46 (table) 607
Comparison of building and construction cost indexes 1913-1946 (charts). 285
Cost of financing 1933-1946 (charts & table) 645
ENR construction and building cost indexes 1905-1946 (chart) 598
ENR construction and building cost indexes 1914-1946 (tables) 598
ENR cost indexes bases 1914-1946 (table) 601
Highlights of construction costs—1947 .....*597
Industrial plant cost reaching peak. E. W. Bowden *591
Lower cost bridges and how to get them. F. D. Hartford *588
Missouri analyzes highway job. C. C. Tevis *373, e361
Privately financed homes in 1946 (table) 812
Public utility construction cost index 1921-1946 (tables) 609
What can be done about high construction costs report.....*881-888
Engineering construction contracts reported to E.N.R. in 1946 (table) 290
ENR reported construction volume by class of work (chart) 281
Fleming sees $13 billion construction in 1947 .....n249
Home builders ask control removal...n354
New construction capital 1925-1946 (table) 283
1946 construction n1
President outlines construction controls.n249
Proposed public and private construction (table) 278
Statistics of construction (charts & tables) 276
Survey and forecast 1946-47.....*263-274
Truman asks billion for 1949 construction n75
Unclassified construction volume in U. S. 1946 (charts) 282
Volume of construction drops as costs continue upswing n791

Construction Equipment
Backfilling rig for canal work *529
Broom drag treatment for repair of primary road *38
Concrete mixer looks like howitzer....n*493
Conveyors
Monorail flows by gravity carrying aggregates to batcher *825
Cranes
Largest floating n*176
San Francisco Naval Shipyard installs very large crane n*913
Shipyard crane at San Francisco....n*235
Depreciation schedule—U. S. Bureau of Internal Revenue 635
Derrick made from weapons carrier....*464
Ditcher cleans canals *463
Excavating oddity n*994
Fusion piercing sinks holes in rock for blasting *461
Index of construction machinery prices 1940-1946 (charts & tables) 640
Loaders
Earthfill placing, Center Hill Dam. R. W. McCall *572
Magnet clears Missouri roads *463
New surplus sales plan on construction machines n427
Pile driver to start warehouse at Richmond, Calif. n*865
Pile driving hammers, diesel, used by Germans *522
Pneumatic concrete placers speed lining of small tunnels *502
Rack for boom storage.....*464
Rental rates for construction equipment 1942-1945 (table) 643
Restrictions placed on importing of surplus equipment from abroad n357
Road striper n*338
Scaffolds
Sliding scaffold speeds repair of Tugalo Dam *1010
Traveling scaffold 145 ft. high used in repairing timber airship hangars.*204
Snowplow—jet-propelled n*351
Tomorrow's construction machines. V. B. Smith *305

Construction Materials
Asbestos-felt blanket protects thin concrete dam from frost *802
Asphalt tile simplified practice rule approved n794
Costs
Cost comparisons aid selection of building materials and installations. George Parkman *592
What can be done about high construction costs—report *881-888
Glass blocks used in Southern textile mill design *805
Glass block—how to select and install. K. H. Cunningham (Building Designers' Library) *1006
Gravimetric analysis of sand. L. J. Ehly *458
Materials and labor prices.....68, 226, 396, 532, 764, 964
Materials bottleneck breaking — supply and demand in cities (table) 298
Materials and labor prices Dec. 1946.. 613
Material price trends (1925-1946 (charts) 286
Output of various construction materials 1937-46 (table) 284
New materials to be used in new prefabricated houses n981
Prefabricated buildings to resist —60 deg. at Arctic weather stations n973
Prefabricated materials go first to veterans n187
Prices
Basic building materials prices—New York City 1874-1946 (table) 611
Firm prices for materials.....e728
Sandstone sidewalks prohibited by Toledo n242
Shipments increase (charts) 283
Urge end of subsidies for building materials n424
Wood veneer prefabs to be developed..n347
Construction materials see also Lumber, Steel
Cuba—Havana baseball stadium open....n*544

Contractors
Airplane used to cover his work.....n*867
California acts against unscrumulous builders n410
Supreme Court makes finding unfavorable to general contractors. G. R. Shields 110
What can be done about high construction costs—report *881-888

Contracts
Contracts for industrial building construction by industries 1942-46 (table) 279
ENR engineering construction contracts 21, 31, 94, 101, 179, 189, 251, 259, 349, 359, 420, 429, 486, 495, 557, 565, 718, 727, 789, 799, 861, 871, 918, 927, 987, 995
Engineering construction contracts reported to E.N.R. in 1946 (table) 280
Guaranteed market contract is revised. n92
St. Louis contracts not to contain escalator clauses n977
Corrosion—Oil pumped under steel tank to prevent corrosion 1030
Cyprus—Central Power station approved.n409

Dams
Allatoona Dam, Ga.
Cofferdam in place n*423
Anderson Ranch Dam, Idaho
Device locates reinforcing bars in concrete *825
Work halted due to lack of funds....n358
Australia
Earth dam for irrigation planned....n164
Back to the battle of flood control. Lieut. Gen. R. A. Wheeler *287
Barker Dam, Colo.
Resurface upstream face n*782
Boulder Dam see Hoover Dam
Bull Shoals Dam, Ark.
Bids rejected n14
Bids submitted n870
Canada
Vancouver Island power dam.....n*405
Cascade Dam, Idaho
Winter halts all work n19
Center Hill Dam, Tenn.
Aggregate production. J. P. Dealy..*570
Earthfill placing. R. W. McCall.....*572
Work resumed on dam.....*568
Central Valley Project
Construction progress *442
China
Yangtze Dam work suspended.....n924
Clark's Hill Dam
Construction to proceed n254
FPC disallows private rights n170
Reject all tenders on work n82
Columbia River
Fisheries body opposes additional dams n244
Davis Dam, Ariz.
Design changes to cope with bad rock conditions *948
Faulty rock makes redesign necessary n*563
Work is pushed n*75
Dewey Dam, Ky.
Work to be resumed n236
Dorena Dam, Oregon
Bids to be opened n187
Firms organize construction company.n717
Enders Dam, Neb.
Dedicate dam n925
Florence Lake Dam, Calif.
Asbestos-felt blanket protects thin concrete dam from frost *802
France
Genissiat Dam n245, n*474
Grenada Dam, Miss.
Embankment, spillway work (unit prices) 466
Hoover Dam (Boulder)
Boulder City presents a unique situation in municipal administration..*1021
Local reactions to change of name..n778
Nevada will install generator n773
Question of the name e800
Jackson Gulch Dam, Colo.
Rolled earth dam under way n*917
Lake Loveland Dam, Calif.
Correction 575
Louisiana Valley flood control dam....n*725
Marshall Ford Dam, Tex.
Joint leakage stopped. W. B. Bierce.*892
Massachusetts flood control dams under way n720
McNary Dam, Ore.
Model of dam n*490
Work starts in the spring n415
Mexico
Alvaro Obregon Dam bids to be received n164
Mt. Morris dam, N. Y.
Work to begin n473
Osceola Dam
Farm group fights work n29
Osage Basin Improvement Assn. backs Army's plan n170
Pine Flat Dam, Calif.
Blasting work begun n782
Potholes Dam, Wash.
Columbia Basis project (unit prices).. 156
Ross Dam, Wash.
Consulting engineers retained.....n979
Progress of work n411
Third unit to be constructed.....n782
Russia
Dnieper Dam generators being installed n335
Dnieper Dam—Germans destroy generators. Maj. Gen. P. B. Fleming..l 528
Great Volga development n335
Saluda River, S. C.
Dam for hydro planned n415
Santa Fe Dam, Calif.
Completed after war halt.....n*485
Santee Cooper Dam, S. C.
Suit for riprap work n357
Savage River Dam, Md.
Completion of dam requested.....n912
Snake River, Ore.
Idaho Power Co. authorized to build dam n407
Tugalo Dam, Ga.
Sliding scaffold speeds repair.....*1010
Tully Dam, Royalston, Mass.
Earth dam construction (unit prices).1032
Waco Dam
Models vs. analysis. J. S. Kendrick..l 898
Spillway saved by speedy repairs. C. S. Adams *439, e430
Watauga Dam
Concreting n*185
Whitney Dam, Tex.
Land condemnation suit n717
Wolf Creek Dam, Ky.
Ready for concrete n*346
Dikes—Memphis bridge caissons sunk with the help of woven willow mattresses.*451
Yellow River dike closure.....n335, n475
Disaster councils prepare to cope with emergencies 203
Disaster police n911

Dredges and Dredging
Arkansas River cutoff dredging completed by Army engineers. A. B. Smith *508
Cape Fear River, N. C., dredging to be started n556, n779
Delaware River dredging resumed....n249
Memphis bridge piers sunk by open-wall dredging *449
"Netherland" to be used in tin production n165
New York Harbor to build dredge boat for service n991
San Diego, Calif. to have playground in Mission Bay n*554
Drydocks—Design and construction of a drydock for a giant flying boat.....*730

E

Earthfill—Center Hill Dam earthfill placing. R. W. McCall *572
San Francisco airport fill on soft bottom controlled to avoid mud waves.....*104
Earthquakes—Engineers to advise on earthquakes effects n708
Economics—America's needs and resources —Twentieth Century Fund report *827
Ecuador—Engineer visiting to observe housing projects n974
Egypt—Aswan Dam power plant contract awarded n409
El Salvador—Two proposed hydro developments n707
Electric sub-stations—British Columbia Railway to have new sub-station.....n163
Electronics—Navy begins work on special hangar to test aircraft electronic devices n80
Engineering Foundation—Seeks research bequests n344

Planning Bill n239
Severn River bridge proposed.....n*79
Greece—Development of river sources recommended n475
Health centers to be built by War Relief Assn. n165

Grouting

ACI technical sessions feature grouting 505
Faulted rock passed by grouting on Copenhagen sewer tunnel. K. Pilgaard *40
Tacoma, Wash. trunk sewer joint machine grouted. C. S. Seabrook..... *50

H

Hawaii

Construction firms merge..... n93
Five-year hotel construction program.. n787
Honolulu plans civic improvements... n888
Honolulu waterproject n243
Pearl Harbor-Honolulu superhighway resumed n410
Water improvements completed on Oahu, T. H. n985

Heating and Ventilating

Dallas office building puts steam plant on roof n*414
Pittsburgh University expands central heat n248
Radiant heating applied to steel-frame houses built on assembly line principles, Baltimore *950
Radiant heating for California schools simplified by use of copper tubes....*1020
Radiant heat for New York City apartments n*562
Radiant heating pipes under sidewalk in N. Y. C.....n*353
Steam pipes keep steep road clear of snow n*556

Highway Administration

New Mexico appoints new commission.. n84
New Mexico shifts road personnel to handle work n185
Oklahoma road bureau reorganized.....n983
Pennsylvania urges operating changes in highway system n344

Highway Construction

AASHO technical discussions brings out useful ideas 437
Card helps public relations when building road. M. E. Adelstein..... l 65
Contractor profits on highway work found to be normal in Oregon. R. H. Baldock 140
Costs—Have highway costs reached their peak? *134
Inefficient labor caused high construction cost in Georgia. G. T. McDonald *158
Missouri analyzes typical highway job to determine actual construction costs. C. V. Tevis.....*373, e361
Curbs
Asphaltic concrete curbs cut highway maintenance costs *810
Freeways are costly in California. G. T. McCoy 141
Illinois rejected 30 percent of low bids during 1946. W. W. Polk..... 135
Maine Turnpile construction. E. R. Needles *147
Maine Turnpike correction..... 222
Materials shortages in Louisiana may increase highway costs. N. E. Lant... 143
Michigan's 1946 highway program was slow getting underway..... 144
New Jersey starts "dual-dual" highway to end serious traffic congestion. C. M. Noble *120
New York builds its thruway. T. F. Farrell *129
North Dakota rejected all bids on cement- paving. M. P. Wynkoop..... 145
Pennsylvania highway costs have doubled since 1940..... 137
Runways—see Pavements
Sacked riprap placed dry in roadbed for highway being built in old river channel, Calif. n*973
Soil cement used to pave secondary roads in North Carolina.....*498
State highway programs — 1946-47 (table) 118
Terminal Island Access Freeway, Calif. vertical sand drains expedite subsurface solid consolidation.....*386, e361
Texas awards highway contracts at an even and rigorous tempo..... 136
Texas 1946 secondary road program establishes new construction record...*125
Venezuela-Guarico Road leads to oil wells. E. J. Cleary.....*432
Virginia's highway costs up 15 percent since January 1946. C. S. Mullen..... 144

Highway Design

California bridge designers helped by architect n186
Cascade Mountain road—two-mile tunnel in Snoqualmie Pass proposed.....n*255
Kentucky lifts limits on highway truck loads n27
Los Angeles Harbor Parkway planned with traffic interchange structures....*574
Ohio work handicapped by lack of road designers n869
Skew highway intersections. W. F. Wiley l*959

Highway Economics

Anti-road tax diversion efforts make progress 737
California's highway needs examined in relation to funds..... 47
California legislators special highway session n411

* Illustrated; a, abstracts; e, editorials; l, letter; n, news

California road plan finance discussed..n869
Canada—Ontario changes highway financing n477
Connecticut road funds diversion to be stopped n972
Dangers of highway bankruptcy. R. H. Baldock 212
Expenditures decline in recent years.... 133
Georgia will match federal road funds..n726
House extends time for federal road aid.n864
Iowa allocates funds for county roads..n871
House Public Works Comm. approved bill to extend time funds would be available to states for highways.....n487
Maryland road budget....n176
Midwest states outline highway plans..n488
1947 road programs....n422
New Jersey adopts new road fund policy n722
North Carolina municipalities seek state funds for streets....n336
Pennsylvania may raise gasoline tax.. . n26
Pennsylvania plans road program....n16
Public Roads Administration and CAA plan coordination of air, road plans.. n83
Bill would cut PRA rights to obligate highway funds n559
Senate extends time for highway aid....n971
States plan to increase road appropriations n547
States report program for 1947....n85, n713
Virginia spends $19 million on secondary roads n245
Highway lighting—Yellow lights advocated. A. Robert....l761

Highway Maintenance

AASHO technical discussions brings out useful ideas 437
Magnet on truck clears Missouri roads..*463
Newark uses salt to reduce snow removal cost n339
Pennsylvania snow removal bill....n798
Radio for highway work....n916, e928
Salvaging old pavements. W. R. Wooley.l 528
Snow drifts in Michigan....n*559
Snow removal—jet propelled....n*351
Steam pipes keep steep road clear of snow and ice....n*556
Virginia selects broom drag treatment for repair of primary road.... *38

Highway Marking

Dash line road striping made easy. C. R. Waters....*208
Missouri paints with narrow rig. R. P. Cummins *211
Standard truck serves Virginia. C. B. Leach Jr....*210
Traffic-line striper....n*338
Highway research—Public Roads Research Laboratory *998

Highway Safety

Chicago begins installation of model safety islands *200
Radar for speeders....n910
Slipperiness of walk surfaces tested by impact-type instrument.... 732
President's Highway Safety Conference.n*990

Highway Signs

Alabama installs "Minutemaps" on highways n*788
New York State to remove many advertising signs.... n26
North Carolina billboards allowed extension for one year....n869
Highway traffic—Los Angeles Harbor Parkway planned with traffic interchange structures *574
Traffic timing n352

Highways

Alabama has 10-year program for county road construction.... 196
Alaska Highway
Canadian Army keeps highway in shape n186
Australia passes highway bill....n776
Baton Rouge, La. area plans more roads.n245
Birmingham, Ala. highway work proposed n724
British Columbia building Hart Highway to connect with Alaska Highway....n783
California to push great road program.. n16
Canada—British Columbia plans for three years....n410
Canada plans road budget....n722
Cleveland lake front development may be possible by court decision....n339
Cook County superhighway not delayed by voided bonds....n176
Costs of highways. R. B. Brooks.....l 528

Soil Mechanics

Electrical stabilization of soil.......... 822
Home made soils equipment. Raul Valle R..........l*987
Putting soils knowledge to work on airfield runways. E. E. Seelye..........*733
Vertical sand drains expedite subsurface soil consolidation, Terminal Island Access Freeway..........*386, e361
Wall footing action poses enigmas. H. S. Woodward *955
South Africa—Irrigation scheme for Orange Free State planned..........n475
Spain—Seville port to be improved, also river channel..........n851
Six seaports to be modernized..........n409
Stacks—see Chimneys

Stadiums

Belmar, N. J. plans stadium..........n855
Cuba—Havana baseball stadium open..n*544
Dayton, Ohio, considers war memorial building n855
Los Angeles to construct War Memorial Auditorium n*413
Omaha auditorium planned.......n479, n926
Purdue University bleachers collapse....n355 n477
University of Tennessee plans stadium-dormitory n*547

Standardization

Asphalt tile Simplified Practice rule approved n794
International Organization for Standardization becomes official body......n777
Retaining wall standards..........*392
U. S. ratified convention setting up International Organization for Standardization n79
Wire mesh standards oked by pipe manufacturers n427

Steel

American Institute of Steel Construction specifications discussed. Odd Albert, T. R. Higgins..........l 221
Expediter allots steel for housing.......n912
N. Y. steel fabricators launch price cut..n794
Reinforcing bars—deformed bars compared as to resistance to slip.......... 529
Stealing steel..........n774
Structurel steel contract prices increased 49 percent over 1945. T. H. McDonald.*146

Street Traffic

A.S.C.E. discusses highway traffic and bridge design.......... 98
Boston traffic plan for traffic congestion.n780
Chicago begins installation of model safety islands..........*200
Honolulu plans traffic improvements.... n17
Indianapolis to create one-way traffic streets n910
Milwaukee considers traffic-easing plan. n84
New Jersey starts "dual-dual" highway to end serious traffic congestion. C. M. Noble *120
Parking
Australian garage on hillside.......... n*5
Boston considers underground garage.n854
Boston takes action..........n479, n910
Buffalo considers downtown parking plans n27
Charlotte, N. C. plans raised parking lot n854
Cincinnati considers underground parking n16
Cities plan parking activities..........n548
Columbus—proposal to roof over docks for parking space..........n710
Columbus, Ga. recommends traffic changes and parking facilities......n992
Hartford parking garage..........n478
Holyoke, Mass. proposes parking deck n*475
Jersey City underground garage proposed n71
Los Angeles considers underground parking n*420
Minneapolis urges parking lots..........n241
Montreal traffic plan..........n411
New York City debates regulations ..n796
Oklahoma City parking plans aired ..n330
Philadelphia plans underground parking n413, n72
Philadelphia to make survey of traffic.n78
Phoenix parking garage..........n494
Plan calls for parking lots and garages n920
Richmond, Va. considering traffic plans n796
San Francisco approves garage a mile long n*796
Solution in various cities..........n978
States considering parking facilities.. 877
Vancouver, B. C. plans underground garage n16
White Plains, N. Y. studying traffic...n920
San Francisco plans traffic helps........n420
Seattle, Wash. proposes to make the Alaskan Way viaduct a double-deck structure n978
Tampa, Fla. planning toward traffic relief n780

Streets

North Carolina municipalities seek state funds for streets..........n330
Philadelphia plans street improvements.n420
Philadelphia to modernize Vine Street..n339
Quincy, Ill. finds a street shortage......n854
Wilmington to improve streets..........n411

Subways

East Boston's subway..........n169
Boston—Extension approved (map).....n549
Great Britain—London adds subway lines n*163
Italy—Rome subway construction rushed n707
Philadelphia plans subway.......n243, n479
Russia—Leningrad subway construction started n975

Surplus Property

China returning surplus equipment..... 390
Contractors, utilities certified for surplus n240
New surplus sales plan on construction machines n427
Restrictions placed on importing of surplus equipment from abroad..........n357

Surveys and Surveying

Aerial mapping for highway studies discussed by A.S.C.E.......... 98
Army map service gets a new home.....*367
Cutting down on surveys..........n419
Dumpy level adjusted quickly. H. Pollet.*824
Jungle surveys for oil exploration. Pierre Charles *519
Missouri Basin survey work resumed...n916
Museum of Surveying Equipment......n*884
New York State to revise topographic maps n925
Ohio state agency on control surveys and mapping urged..........n366
Topographical survey of Indiana to be finished n491
Vertical curve calculations. H. B. Austin 393
Vertical sight distances computed without formula. W. E. Cooper..........*392

Sweden

Airdrome to be reconstructed.......... n79
International congress to be held.......n239
Oil pipeline under consideration........ n5
Swimming pools—Canal Zone swimming pool being built..........n*492
Syria—Pipeline terminal to be in Beirut..n777

T

Tanks and Standpipes

Army tank, Middletown, Pa. cover of concrete sprayed over wire mesh.....n*407
Oakland, Calif. leak in prestressed tank located by compressed air..........*1030
Oil pumped under steel tank to prevent corrosion 1030
Television—Station to be erected on the top of Mt. Cucamonga..........n988
Trailers—Pipe trailer gives pick-up and delivery service.......... *63

Trucks

Amphibious truck n*853
Dallas builds own garbage trucks....... *45
New York City truck terminal bids asked n84
Rebuilt truck used widely on maintenance work..........*392
Transporting concrete in dump-trucks. J. A. Nicholson..........*201

* Illustrated; a, abstracts; e, editorials; l, letter; n, news

Trusses
All-welded roof trusses tested by jacking against each other *878
Aluminum roof trusses for an engine house *820
Lessons taught by wood-truss failures. N. B. Green *753
Trusses—see also Beams

Tunnels
Baltimore water tunnel contract awarded n546
Bluefield, W. Va.
Norfolk & Western RR tunnel contract awarded n925
Boston
East Boston traffic tunnel postponed .. n979
Water tunnel project begun n88
Cascade Mt. Tunnel, Wash.
Highway tunnel. H. M. Hadley ..... l 580
Legislation does not approve tunnel .. n489
Toll highway tunnel proposed n972
Toll tunnel not abandoned n869
Chesapeake Bay, Md. tunnel studied as bridge alternative n925
Chesapeake & Ohio Railway tunnel, W. Va. nears completion n425
Columbia Basin Project
Bacon Tunnel designed to carry water for irrigation n20
Delaware River vehicular tunnel study started n358
Denmark
Faulted rock passed by grouting on Copenhaven sewer tunnel. K. Pilgaard *40
France
Vehicular tunnel plan revived n78
Lyon completing vehicular tunnel n707
Mount Cenis tunnel reconstruction 755
Houston
State and county at odds on work n848
Tunnel planned n909
Vehicular tunnel to start n985
Massachusetts seeks state tunnel authority n344
New York City
Battery-Brooklyn Tunnel
Planning to avoid difficulty e928
Tunneling from Brooklyn in mixed ground *936
Tunneling from Manhattan in rock .. *933
Tunnel's lining and ventilation *930
Ventilator n*422
Portland, Ore. seeks traffic tunnel n796
San Diego Aqueduct tunnels
Pneumatic concrete placers speed lining of small tunnels *502
Snoqualmie Pass, Wash.
Two-mile tunnel proposed for road .. n*255
Toketee Falls, Ore...
Hydroelectric development tunnel n920
Union Pacific to build an $8 million tunnel in Wyoming n775
Ventilation
Diesel engines in tunnels 894
Turkey—Black Sea port to be planned n906
Road network studied n850

U

Unit prices—Index to unit prices 651
Unit prices 156, 326, 466, 651, 844, 900, 1032
U. S. Army—Medical center planned to be at Forest Glen, Md n987
Medical corps to include sanitary men .. n919
U. S. Army Engineer—Director of Military Operations appointed n427
U. S. Bureau of Labor—Statistical reports may be cut n547
U. S. Bureau of Reclamation
Budget cut analyzed n779
Budget slashed e728
Interior Department funds cut in half by House n703, n725
More water conservation for the West. Kenneth Markwell *291
New water-service contracts 760
President Truman disclaims reclamation cut n857
U. S. Geological Survey—Assigns water resources chiefs n14
U. S.-Mexico Public Health Assn. meeting. C. G. Gillespie 795
U. S. Public Health Service—bill names service as stream-clearing head n188
Uruguay—Montivedo airport being constructed n*776

V

Venezuela
Bolivar superhighway n409
Carrizal oil camp's shelter and sanitation facilities. E. J. Cleary *814
Guario Road leads to oil wells. E. J. Cleary *432
Housing for workmen n*238
Iron Mines to construct ore transfer station n975
Jungle surveys for oil exploration. Pierre Charles *519
Money spent on roads and airfields n79
Oil companies plan more road and refinery work n850

W

Walls
The balloon frame—a tribute. C. S. Hill. l*64
Insulated, metal-faced exterior wall panel n*922
New York City—Elliott Houses have cavity walls and concrete slab band floors *584
Plate theory explains curling. I. F. Morrison ..... l 64
Wall footing action poses enigmas. H. S. Woodward *955

Wastes, Industrial
Allegheny County, Pa. Sanitary Authority plans new attack on stream pollution n90
Atmospheric contamination demands research and field study 1009
Distillery waste treatment works provides cattle fleed and power byproducts. S. I. Zack *940
Illinois industries push pollution abatement program 823
Illinois Laboratory methods adopted in standards of water and sewage 1011
No federal pollution control e929
Pennsylvania coal industries aid clean-stream program 956
Pennsylvania's stream clearance program produces results 1027
Peoria, Ill. river pollution control aided by waste recovery 220
West Virginia pushes pollution control. *1025
Wastes, industrial—see also Water pollution
Water mains—Milwaukee studies water main sealing n338
Greensboro, N. C. to extend water mains. n549

Water Pollution
Allegheny County, Pa. Sanitary Authority plans new attack on stream pollution n90
A.S.C.E. Sanitary Div. discusses pollution 97
Bill for water pollution control ... n336, n564
Bill names USPHS as stream-clearing head n188
Connecticut's stand on pollution control. Richard Martin ..... l 222
Delaware River Basin anti-pollution work starts n423
Detroit River pollution study begun n480
Federal controls on stream pollution not needed sewage groups told n913
Federal coordinating agency urged for anti-pollution programs 819
Federal pollution control e929
Federal Works Agency places new pollution control bill before Congress n847
Illinois industries push pollution abatement program 823
Indiana's anti-pollution plans n258
Lake Michigan pollution to be reduced .. n188
Maryland commission for water pollution control n870
Massachusetts battles pollution 959
Massachusetts enacts pollution compact law n909
Merrimack River, Mass. anti-pollution plans n258
National Council for Stream Improvement opposes federal agency interference n353
Pennsylvania anti-pollution campaign shows results n787
Pennsylvania stream cleanup to be directed by Adm. Draemel n188
Pennsylvania's stream clearance program produces results 1027
Peoria, Ill. river pollution control aided by waste recovery 220
Potomac River Basin Commission approves Spence Pollution Control bill .. n358
Rhode Island, Indiana push pollution control n546
Stream pollution abatement. Hudson Biery ..... l 761
Stream pollution control in various states n546
West Virginia pushes pollution control. *1025
Water pollution, see also Wastes, industrial
Water resources—Indiana surveys are cooperatively financed n783
More water conservation for the West. Kenneth Markwell *291
Water rights—Colorado River diversion opposed by ASCE n719
Texas water board wins test of control right n170

Water Supply
Australia—water pipeline on the desert floor *889
Baltimore water tunnel contract awarded n546
Boron in Los Angeles water supply under scrutiny 518
Boston water tunnel project begun n88
Bristol, R. I. may expand system n911
Buffalo and Lockport suburban areas seek new water sources n28
Chester, Pa. seeks to change water supply from Delaware River to Octraro Creek n356
Chicago is receiving filtered water n978
Chicago's filtration plant's tunnel inspected n*781
Chicago—University of Illinois considers bids for reservoir n911
China—how an American sanitary engineer is "selling" water systems *390
Cities plan for new water supplies n854
Denver to expand water system .. n412, n926
Detroit, Indianapolis, Baltimore, Van Wert plan water system changes n478
Farmington, N. M. buys water system .. n780
Gatlinburg, Tenn. water system bids n926
Hawaii—water improvements completed on Oahu, T. H. n985
Hialeah, Fla. considers water expansion n356, n549
Honolulu water project n243
Illinois Laboratory methods adopted in standards of water and sewage 1011
Illinois troubled by lowered water table. n423
Los Angeles purchases ten water systems n20
Municipal water supply projects *313
New Britain, Conn. to expend water supplies n549
Philadelphia water system piping shown on map *66
Phoenix to add to water system n413
Phoenix, Ariz. waterpipe line bids low .. n20
Phoenix water supply improvements will meet needs to 1970 219
Provo, Utah, concrete pipe water supply line and weir houses (unit prices) 486
Reclamation Bureau uses new water-service contracts 760
Rockford, Ill. to drink deep n926
San Diego aqueduct to be Navy-built ... *362
Seattle looks ahead to expansion n356
Sparta, Tenn. starts project n911
Texas City utilities withstood explosion well 888
Tonawanda and Lockport, N. Y. consider plan to bring water from Niagara River n910
Youngstown, Ohio, to build new reservoir n780

Water Treatment
Baltimore's Montebello filtration plant installs baffles to improve sedimentation. E. S. Hopkins *514
Evanston to experiment with fluorine in water 515
Illinois Laboratory methods adopted in standards of water and sewage 1011
Meter control of water softening process. R. A. Thuma *384
Michigan decides that free residual chlorination improves water quality .. 448
"Soda fountain" centralizes filtration plant sampling *66
U. S. charges monopoly in chlorine equipment n773
Yuma, Ariz. clarification of water to reduce silt content 52

Waterways
Lake Michigan diversion to Illinois waterway studied n348
Pressure-group economics e996
St. Lawrence project cost raised n971
St. Lawrence seaway remains a live issue n560, n773

Waterworks
Cleveland to expand waterworks n412
Columbia, Miss. plans waterworks in park n*548
Louisville Water Co. pays debt years in advance n29
St. Louis approves water improvement plan n88
Will your reservoir refill during minimum demand periods. R. L. Brown ... *1012

Welding
All-welded roof trusses tested by jacking against each other *878
Canadian Welding Bureau to seek codes. n333
Color sound film on arc-welded structures n15
Wells — Illinois Laboratory methods adopted in standards of water and sewage 1011
Western Assn. of State Highway Officials. —Los Angeles meeting n17
Western Society of Engineers—officers inducted n925

Wharves and Docks
Bulkhead design discussed by A.S.C.E. ... *96
Charleston, S. C. to construct new ship terminal n356
Great Britain's floating dock passes through Suez Canal n*906
Mobile plans docks expansion n*356
Mobile, Ala. takes bids for dock job n174
New Guinea to construct two piers and roads for access to oil fields n165
Wharves and docks—see also Drydocks
Wind tunnels—Supersonic wind tunnel to be constructed by Calif. Inst. of Technology n162
U. S. Army builds supersonic wind tunnel at Cal-tech n797
Winston, James O. dies, built water-supply dams n429

* Illustrated; a, abstracts; e, editorials; l, letter; n, news
